Essdras M Suarez/ Globe Staff

"Years ago I was in this boutique in SoHo, next to Sylvester Stallone, purchasing these blue suede platform shoes, and all I kept thinking was, "I have to have these as well." I bought them, but when I got home the only thing I kept wondering about was why I bought them. I did wear them shortly for a while though. I think my friends got to me after a while. I wasn't a big fan, but I happened to be next to him and he was going on and on about how cool they were." -- Lesser (right)
